

Self-monitoring Blood Glucose in Non-Insulin Treated Type 2 Diabetes Conference

**2nd December 2010
Rhodes House, University of Oxford**

Speakers:

Prof Norman Waugh [University of Aberdeen](#)
Dr Rafael Perera [University of Oxford](#)
Dr William Polonsky [Behavioural Diabetes Institute](#)
Prof Andrew Farmer [University of Oxford](#)
Dr Maurice O’Kane [University of Ulster](#)
Prof Lionel Tarassenko [University of Oxford](#)
Dr Simon Heller [University of Sheffield](#)
Dr Julia Lawton [University of Edinburgh](#)
Dr Stuart Smellie [Bishop Auckland General Hospital](#)
Hugo Tewson [Patient representative](#)

The conference is aimed at both clinicians and patients interested in learning about the state-of-the-art in blood glucose self-monitoring, and contributing to the future directions of research and practice.
